To my family at Union Baptist Church (members and non-members alike)

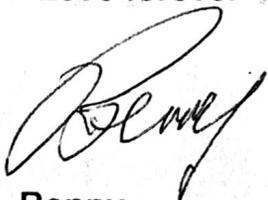

Dear folks,

I appreciate the delicious basket of fruit Richard Corn brought to me yesterday. I thank you much. I want all you people who are precious to me to know that I have been told I have cancer. I did not ask where it was nor the extent to which it may have spread. I do not care because it is not my problem. I do not belong to me. I belong to the Lord Jesus Christ, to Mary Lou and family and to my loving family of friend at Union Baptist Church. I feel that for many years I have been an amusing problem to all of you, and you have handled it well. I am confident you will handle this little incident of cancer in like manner.

So much now for my announcement:

Be reminded that we have the best pastor The Great God Almighty could give us. His name is Tommy Hunt. If you don't know him, you ought to get to know him. He will do to ride the river with.

Love forever

Benny
